Natural Family Planning can help postpone a pregnancy or achieve a pregnancy. It is an ongoing observation and interpretation of the symptoms presented by the body each month and can be used throughout all the fertile years. The couple approach enriches the marriage relationship through improved communication. Couples tell us that each spouse feels special and not taken for granted. Learn the Sympto-thermal method of Natural Family Planning with Jeanne Blasi, certified instructor, on Wed. June 24, July 22, and Aug. 26, at 7 pm at St. John the Baptist Church, 9th and Boulevard, Edmond OK in the basement council room. Cost is \$135. Free childcare is available upon request. For info and registration please call Dr. Harry Kocurek at 340-0691 ext. 109.

Due to construction of the Parish Hall, we have temporarily lost some of our parking space to construction materials. The Knights of Columbus are permitting use of the lot north of the church to park for Mass. Look for the "Visitor Parking" sign across the street.

A Parish Approach for Caregivers ~ According to research statistics compiled by the Family Caregiver Alliance and the National Family Caregivers Association, nearly one of every four households in the US is involved in family care giving to persons aged 50 or above. Caregiving can be a roller coaster of love and commitment, but exhaustion, inadequate resources, and continuous caring can lead to stress and burnout. The focus of this four week educational series is the caregivers' physical, emotional and spiritual well-being. Please join for all or any part of this series. **Where:** St Francis of Assisi 1901 NW 18th St. OKC. **Time:** 6:30 – 8:00 pm. **Contact:** Mercy Health Center 752-3600 to place your reservation. **Dates and Topics: July 7** – Seven Decisions Every Caregiver Must Make, **July 14th** – Legal Concerns of Caregiving
