Catholic Charities Annual Appeal

"Catholic Charities' Adoption program was so patient with me as I took my time in deciding to place my child for adoption. They gave me options and time to consider my options. I never once felt any pressure, and when I needed them they were there for me. I was able to create an adoption plan that fulfilled my needs as well as my child's. The family I chose has a healthy daughter and I am able to focus on school and being a college student." C.J.
