## Pope Francis: Protect Life!

"In the end, everything has been entrusted to our protection, and all of us are responsible for it. Be protectors of God's gifts! Whenever human beings fail to live up to this responsibility, whenever we fail to care for creation and for our brothers and sisters, the way is opened to destruction and hearts are hardened. Tragically, in every period of history there are "Herods" who plot death, wreak havoc, and mar the countenance of men and women. Please, I would like to ask all those who have positions of responsibility in economic, political and social life, and all men and women of goodwill: let us be "protectors" of creation, protectors of God's plan inscribed in nature, protectors of one another and of the environment."

-- Homily of Pope Francis at his Mass of Installation, March 19, 2013
